Examiner: Cheukfan Lee

Issued: December 9, 2003

For: IMAGE READING APPARATUS, AND DIMMING CONTROL METHOD AND
LINE SENSOR LAYOUT METHOD THEREFOR

**SECOND REQUEST FOR CERTIFICATE
OF CORRECTION OF PATENT**

Mail Stop PGPUB
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is a second request for certificate of correction. After issuance of U.S. Patent No. 6,661,545 on December 9, 2003, a first request for certificate of correction was filed on February 11, 2005. This first request contained several errors.

Prior to April 2005, patent owner attempted to contact the USPTO to withdraw the first request. However, these attempts were unsuccessful. On April 5, 2005, an erroneous Certificate of Correction was issued (attached as Exhibit 1). For example, the cities of residence for Messrs. Sato, Tanabe and Minami were misspelled. Also, Mr. Kurita's surname was misspelled. These errors are apparent from a review of the USPTO Records, including the signed inventors' declaration (attached as Exhibit 2).

This second request for certificate of correction seeks to correct errors in the April 2005 Certificate of Correction.

U.S. Patent No. 6,661,545
Second Request For Certificate of Correction
Dated May 11, 2005

Attached in duplicate is Form PTO-1050 (Exhibit 3), with at least one copy being suitable for printing, which describes the changes being sought.

- ☐ The error was the fault of the Patent and Trademark Office, no fee is required.
- ☐ The error was not the fault of the Patent and Trademark Office, please charge the requisite fee of \$100 to Deposit Account No. 13-4500, Order No. ____.
- ☒ The Commissioner is hereby authorized to charge any additional fees which may be required by this paper, or credit any overpayment to Deposit Account No. 13-4500, Order No. 1232-4540. A DUPLICATE COPY OF THIS SHEET IS ATTACHED.

Respectfully submitted,
MORGAN & FINNEGAN, L.L.P.

Dated: May 11, 2005
